Our service includes a pre-event chat with your friendly DJ to discuss your requirements and a website with over 30,000 music choices, lights and DJ booth, colour coded to match your theme and a haze machine.

## QUEEN DISCO MINI NIGHTCLUB

Designed for the smaller wedding, corporate or private party and great for those special milestone birthdays. Our service includes all the elements of the Jack disco as above plus 3D lasers, scanners, sweepers and a modern glitter ball producing fantastic patterns, shapes and beams, plus podiums either side of the DJ with moving head light effect creating a professional mini nightclub experience.

## KING DISCO VISUAL NIGHTCLUB

A popular choice for weddings, private parties or corporate events for around 75 – 150+ people. In addition to the Queen package we provide an awesome live dance floor camera and screen with a recording of the night provided on USB, plus a photo screen showing a montage of personal photos and live video mixing, pre-arranged with you and our friendly DJ.

## ACE DISCO

Our Ace service is for those events that require an extra level of creativity, ideas, customer service and equipment to create a truly unique experience for you and your guests. Often a mix from our disco packages plus extras i.e. a dance floor, mobile nightclub rig, theming and colour coding.

## MOOD UPLIGHTING

Beautiful mood colour uplighting enhances the overall experience of the event. We can place them inside or outside depending on the time of year and where you want your evening party to take place. Uplighters can also be colour coded to suit your party colour theme. It's these simple touches that take your party from great to exceptional.

## LOVE LETTERS

We have a selection of 4ft, 5ft and 40cm table top LOVE letters available to hire on their own or with any other product from the Leisure King range. Alternatively, why not consider having your initials up in lights or even MR & MRS. These giant letters look stunning on the dancefloor or the smaller LOVE version looks great with a Photo Booth or on the top table.

## DANCEFLOOR OPTIONS

A dancefloor is a must for any wedding, party or celebration where a DJ and dancing will be part of the entertainment.
