

The Rodeo Ride is a truly exciting attraction at any event.

Choose one of our fun attachments to suit your theme.

BILLY THE BULL

The Bull, or Bucking Bronco, is the classic rodeo ride. Perfect for Wild West theme parties, the bull bucks and spins the fearless rider for as long they can hold on.

RUDOLPH THE REINDEER

Perfect for festive fun at Christmas, our Rodeo Reindeer is always popular. With his Santa hat and bright red nose he's sure to delight one and all.

PERCY THE PIG

The Rodeo Pig may look cute but your guests will have a challenge to stay on our farm-yard friend. Percy will try to throw you off but will you get the chop?

DOLLY THE SHEEP

Our Rodeo Sheep is not like any fluffy sheep you will have seen in a field. She bucks and spins until you are tossed on the inflatable bed. Are you up for the challenge?

COLIN THE CAMEL

Everyone has heard of the Rodeo Bull, but have you ever heard of a Rodeo Camel? For added novelty, hire Colin for your party and don't get the hump when you fall off!
